

Nishita Kothary, MD

Interventional Radiology
Stanford University

Research Interest: HCC

Basic Science-
RadioGenomics
-HCC

Animal
Studies –
Perfusion-
HCC

Clinical Studies
Translational
or
retrospective
HCC

Quality
Care in HCC

Collaborations

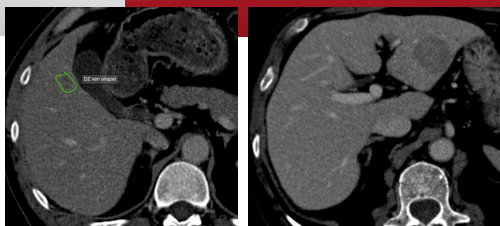

RG – Sandy Napel, Olivier Gevaert, Sylvia Plevritis

Secondary Dean Felcher

Perfusion – Kerstin Mueller, Rebecca Fahrig, Siemens

Clinical, Quality – Visiting scholars, residents and trainees

Radigenomics/Radiomics

Strength of the team
(and really Stanford)
is COLLABORATION
